

The basics, for a modest contribution (only \$250.00) made through the "[Help Support CCASF](#)" page, you can make sure a child has a CRS for every growth phase and the parents have education for Life!

In 2007 we had 4 participants. In 2008 we had 9; nice increase. 2009 finished with 5. To date, 2010 has seen 2. These may be tough economic times, but with the baby boom that is going on, we need help if we are going to assist the families in need. There is often a feeling of begging, but without your support, we can not support the need in the communities we serve. Please consider becoming a Car Seat Angel.

A list of our Angel supporters is forthcoming. If you are an Angle, and want to be on the list, please contact us. If we have you as an Angle, because of the financial commitment you have made in the past, and you do not want to be on the listing, please make sure to let us know that also. We appreciate our supporters, and want to respect their privacy if they so desire. Thank you.

More coming soon, please contact us with questions at 303-931-3443.
